hosted at

Green Bay Community Church | 600 Cardinal Lane, Green Bay, WI

because

YOU ARE A LEADER!

- **Your leadership is vital to our ministry impacting the next generation.** Renew your excitement about what you do and why you do it.
- Be inspired by and meet national, regional and local presenters, exhibitors and influencers face to face. Leave with new tools, skills and ministry resources.
- Be encouraged and equipped through practical workshops that spark ideas to implement and develop—making your ministry more effective and fruitful.

testimony

"Recharge always encourages ... and gives real tools and inspiration to bring back to my ministry."

- Laugh, network and play games with others in your local community passionate about helping kids and families love, follow and serve Jesus.

- Have fun. There is nothing like the energy in room full of like-minded people who are taking time to learn new concepts to bring back into their ministry setting.

- **You're worth the investment.** And investing in your knowledge, skill and resource base trickles down to impact and influence the children and teenagers we serve.

- Recharge is a ministry of Youth Leadership who, for almost 50 years, has been transforming the lives of the next generation by equipping, educating and encouraging leaders like you. **Plan now to come to this mid-year ministry boost.**
